Some time later...

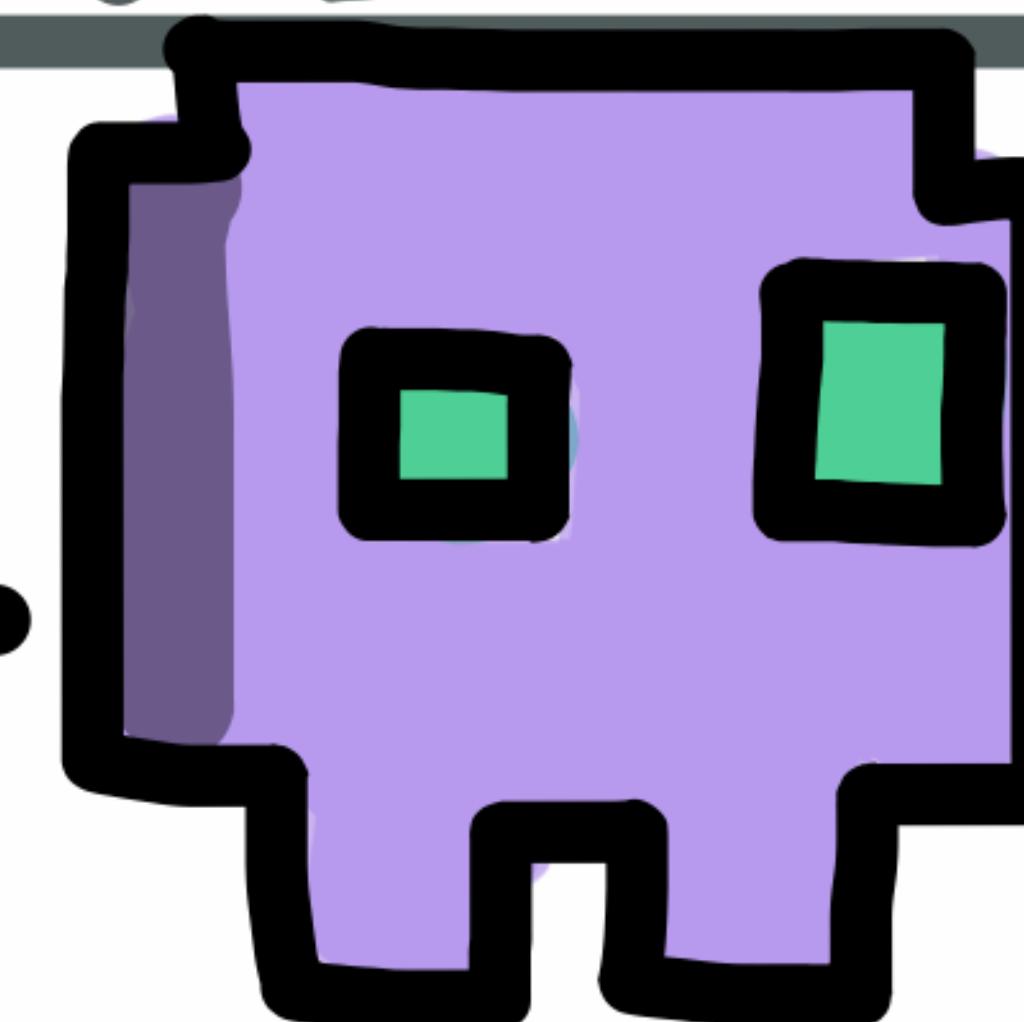

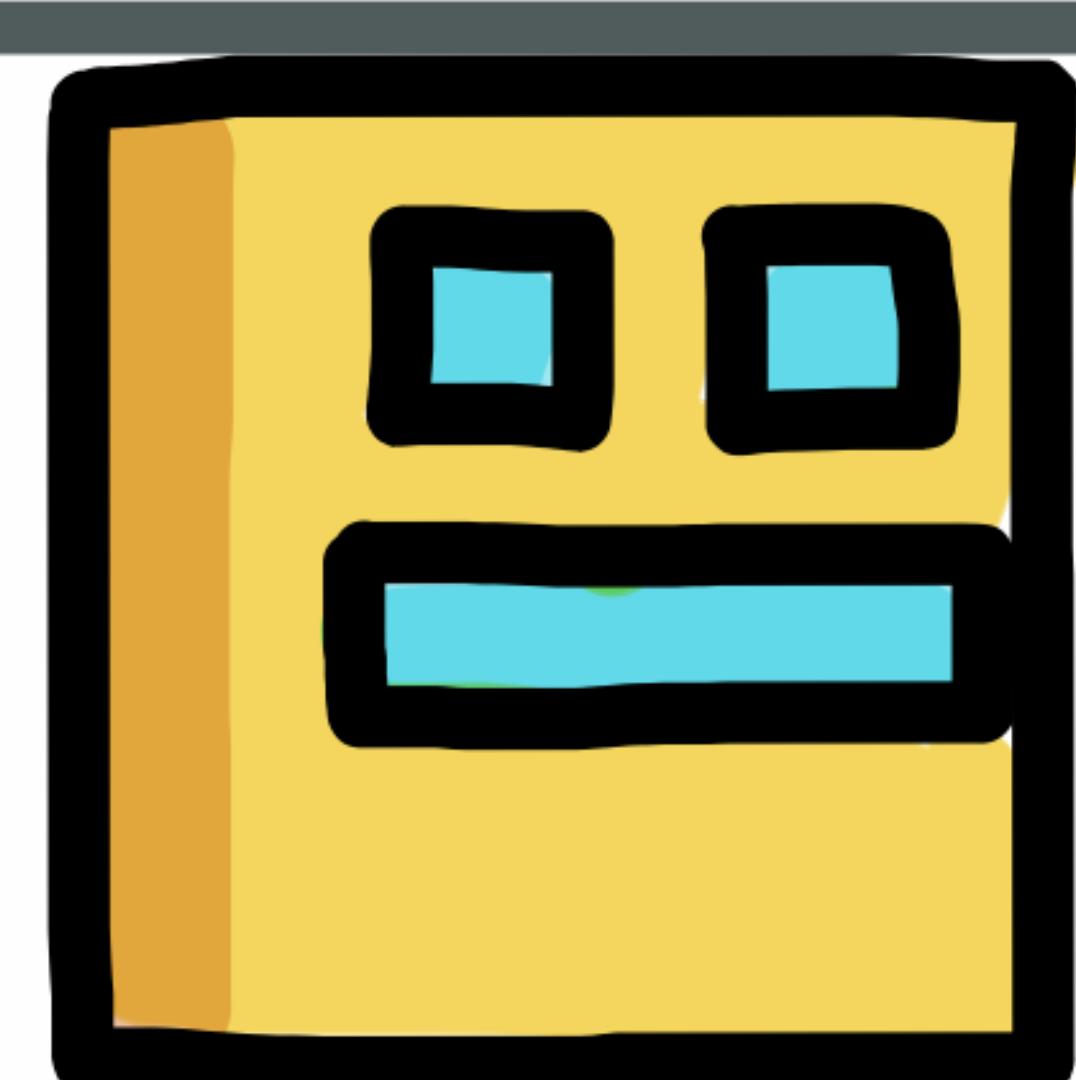

So... how's
life in City
Neon 18?

Not gonna lie, it's horrible. I'm not sure why
RobTop's making us all move to such a place.

I thought it
was a
solution to
the resource
crisis?

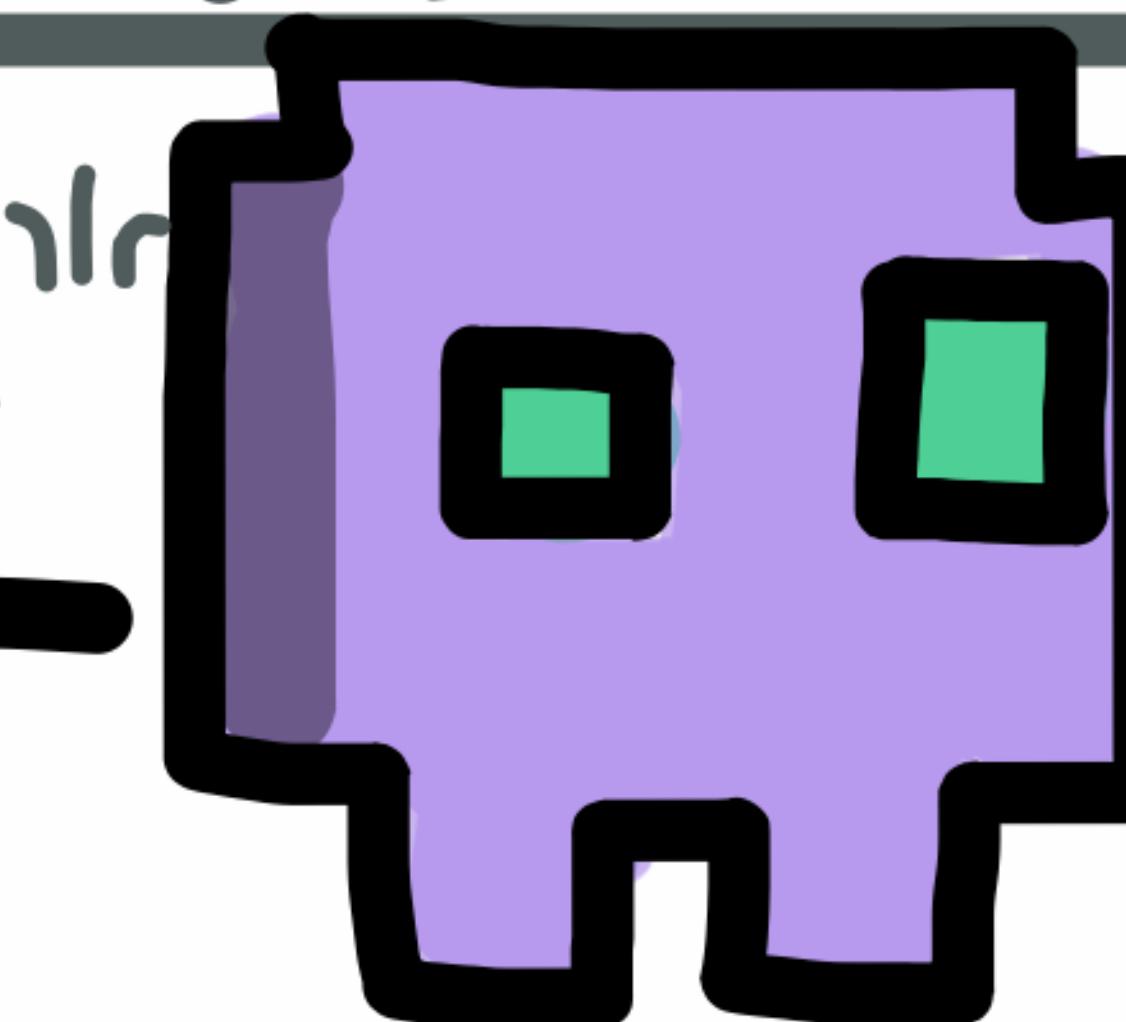

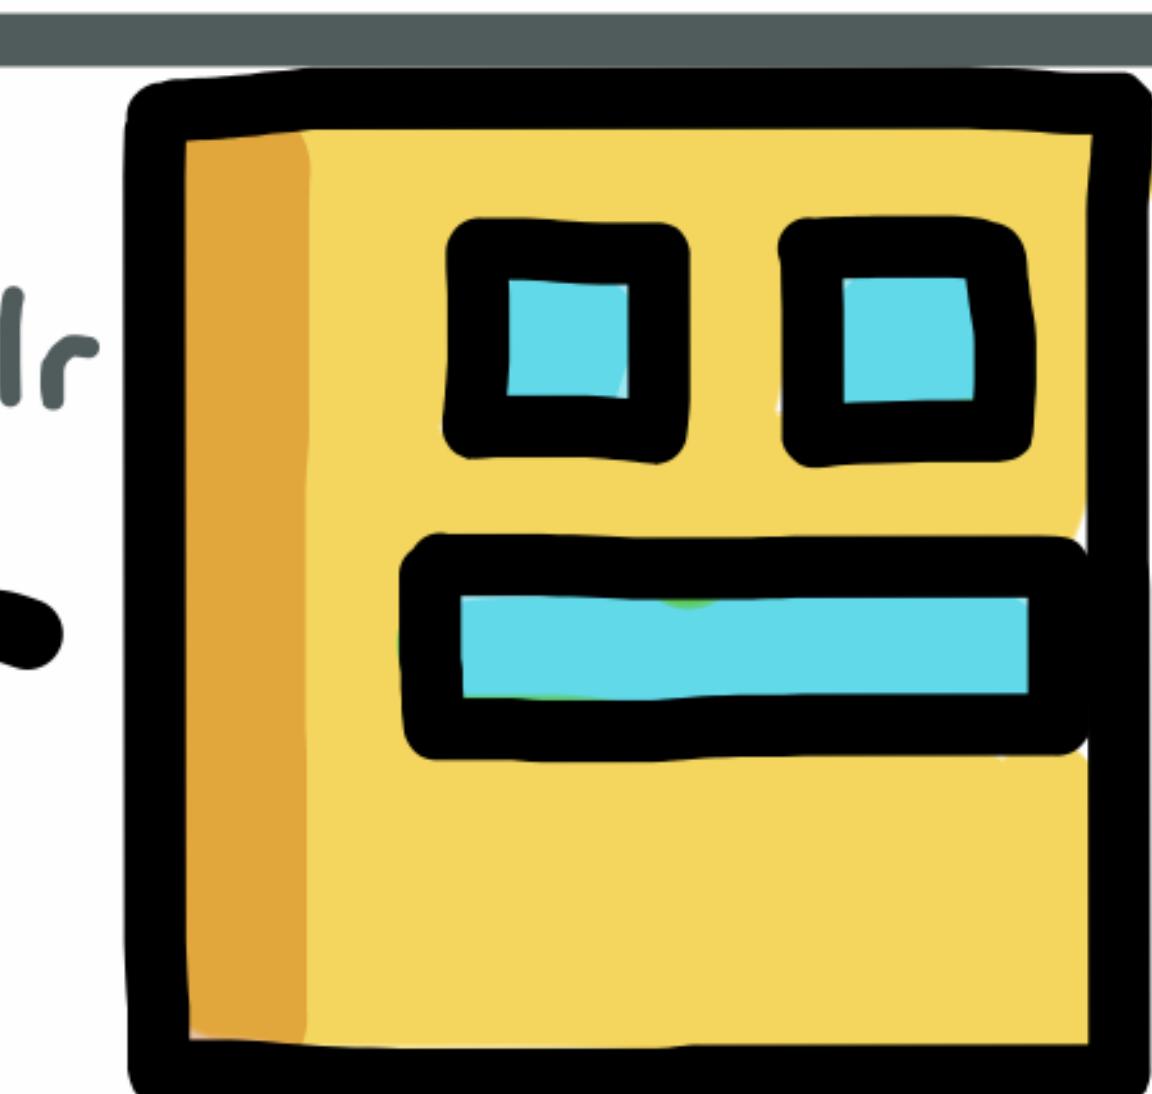

It's a solution, that's for sure. Whether it's a good
one is a whole other question. And where is he
getting the resources for it?

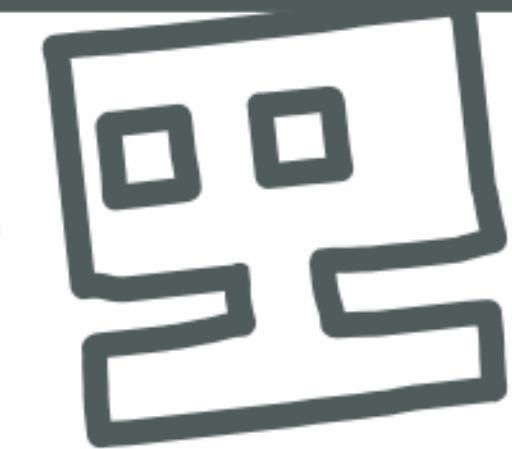

I know there
have been
talks of a big
mining
operation...

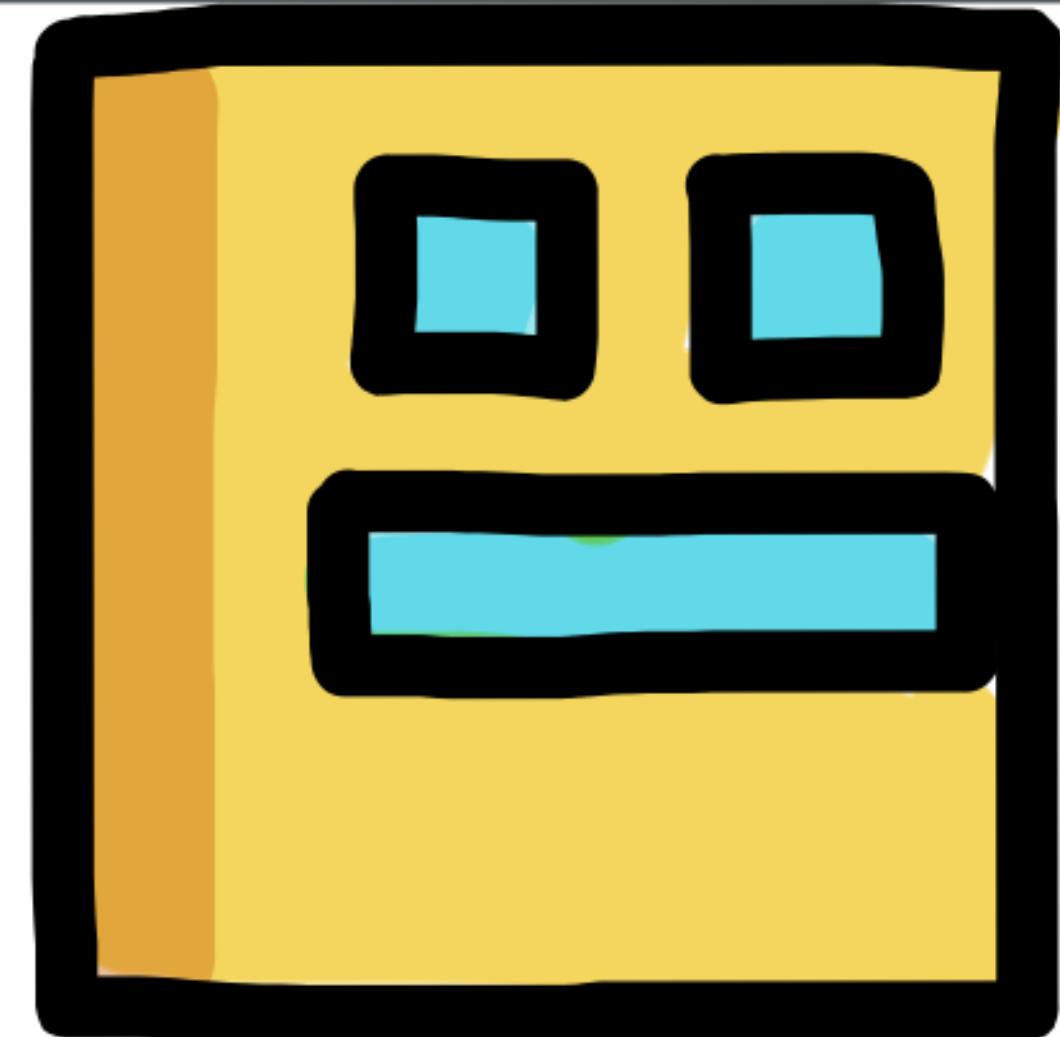

Yea, I saw something about it on the Cube
Broadcasting Network. Man, this world is gettin
confusing.

Tell me about it. But hey, at least playing for those
fools gives us a job.

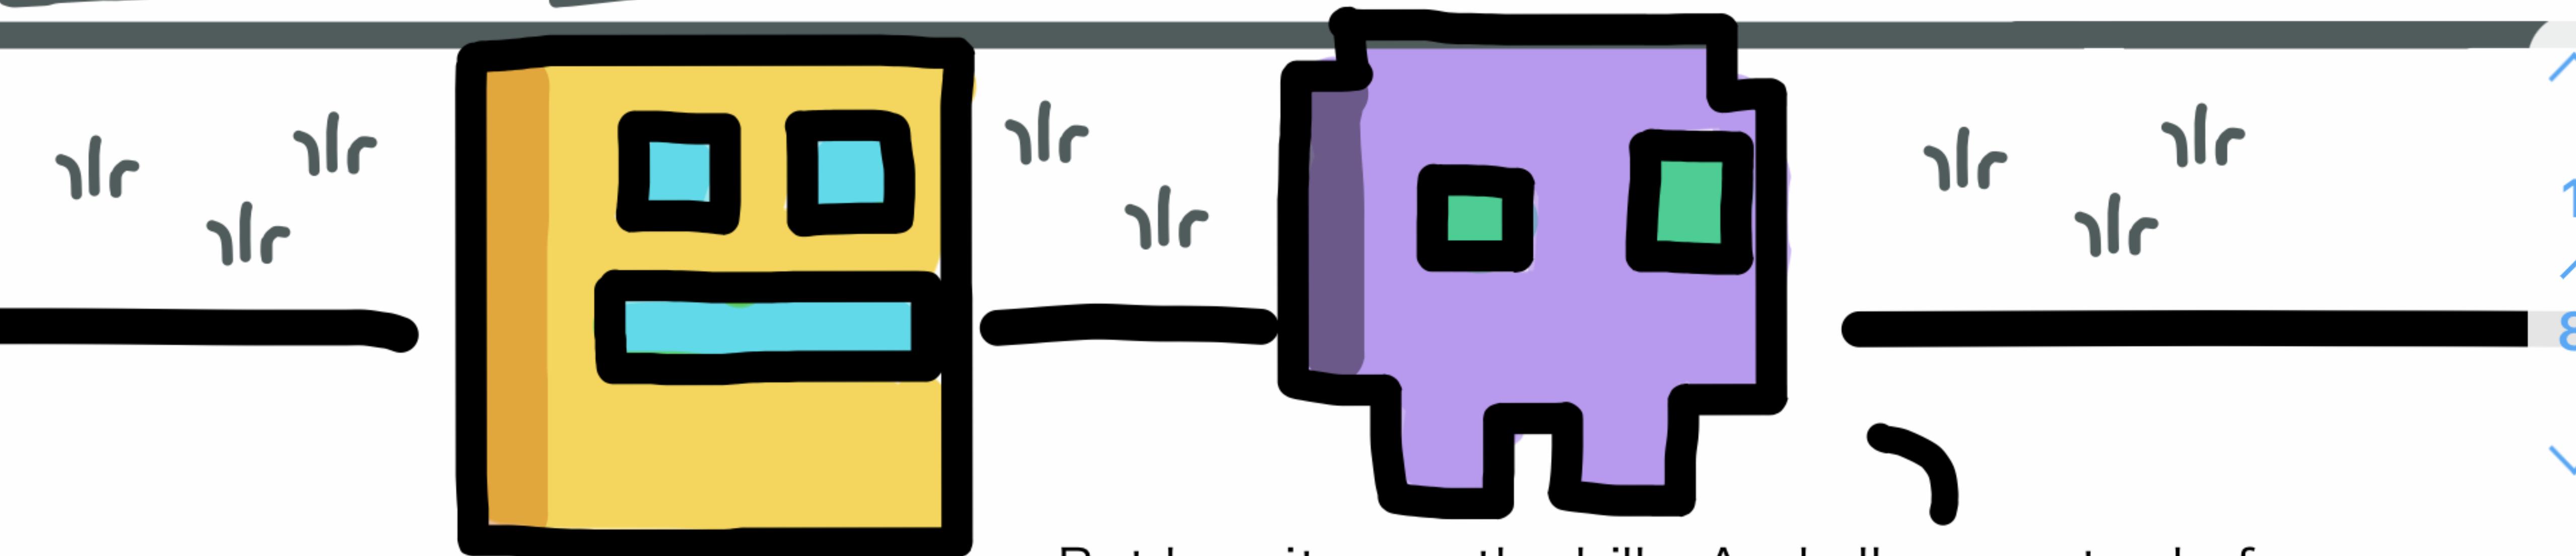

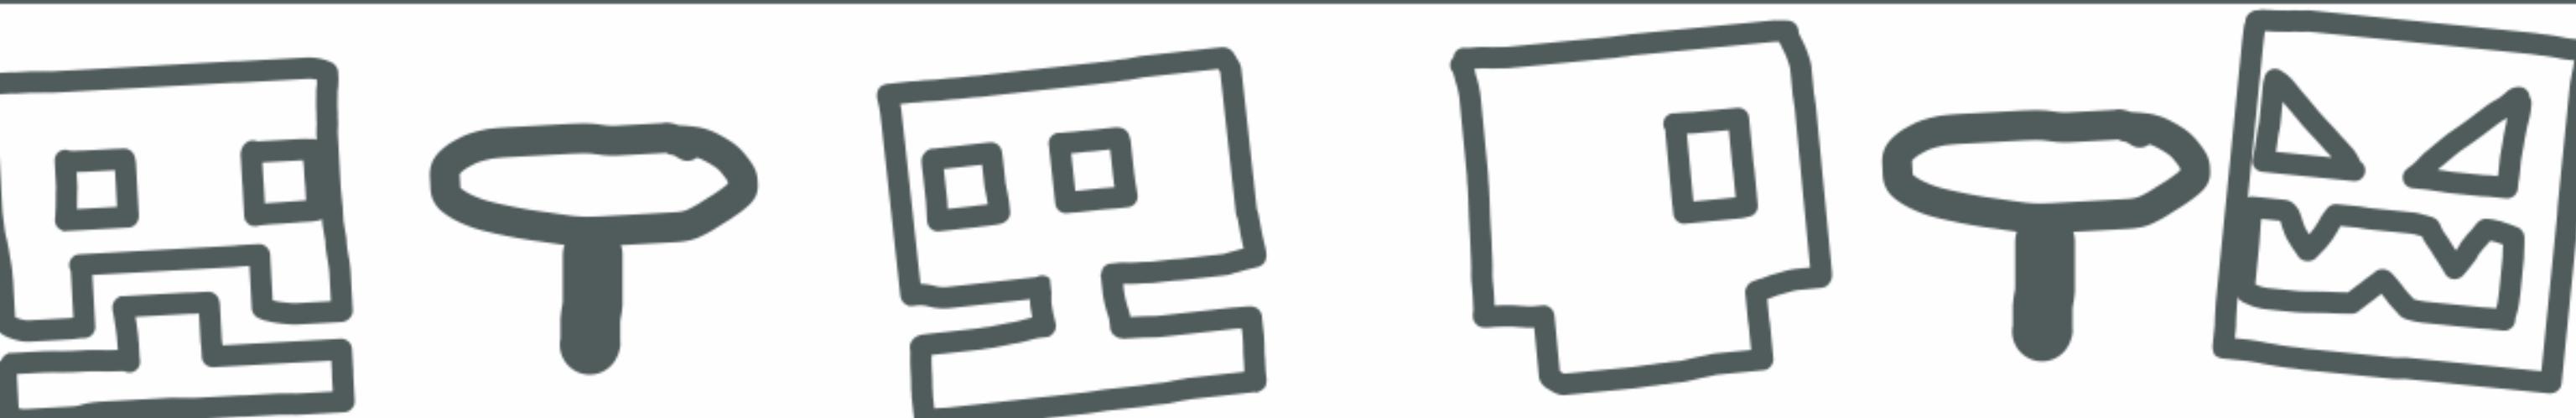

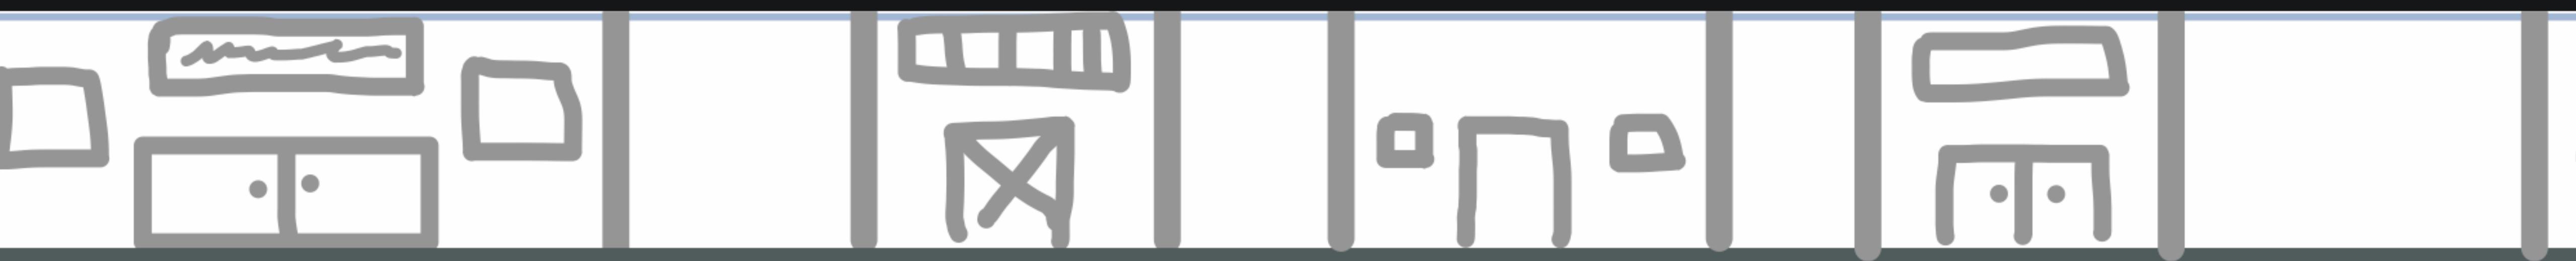

Yea. Ya gotta hand it to Rob, those painkillers make this job a lot easier.

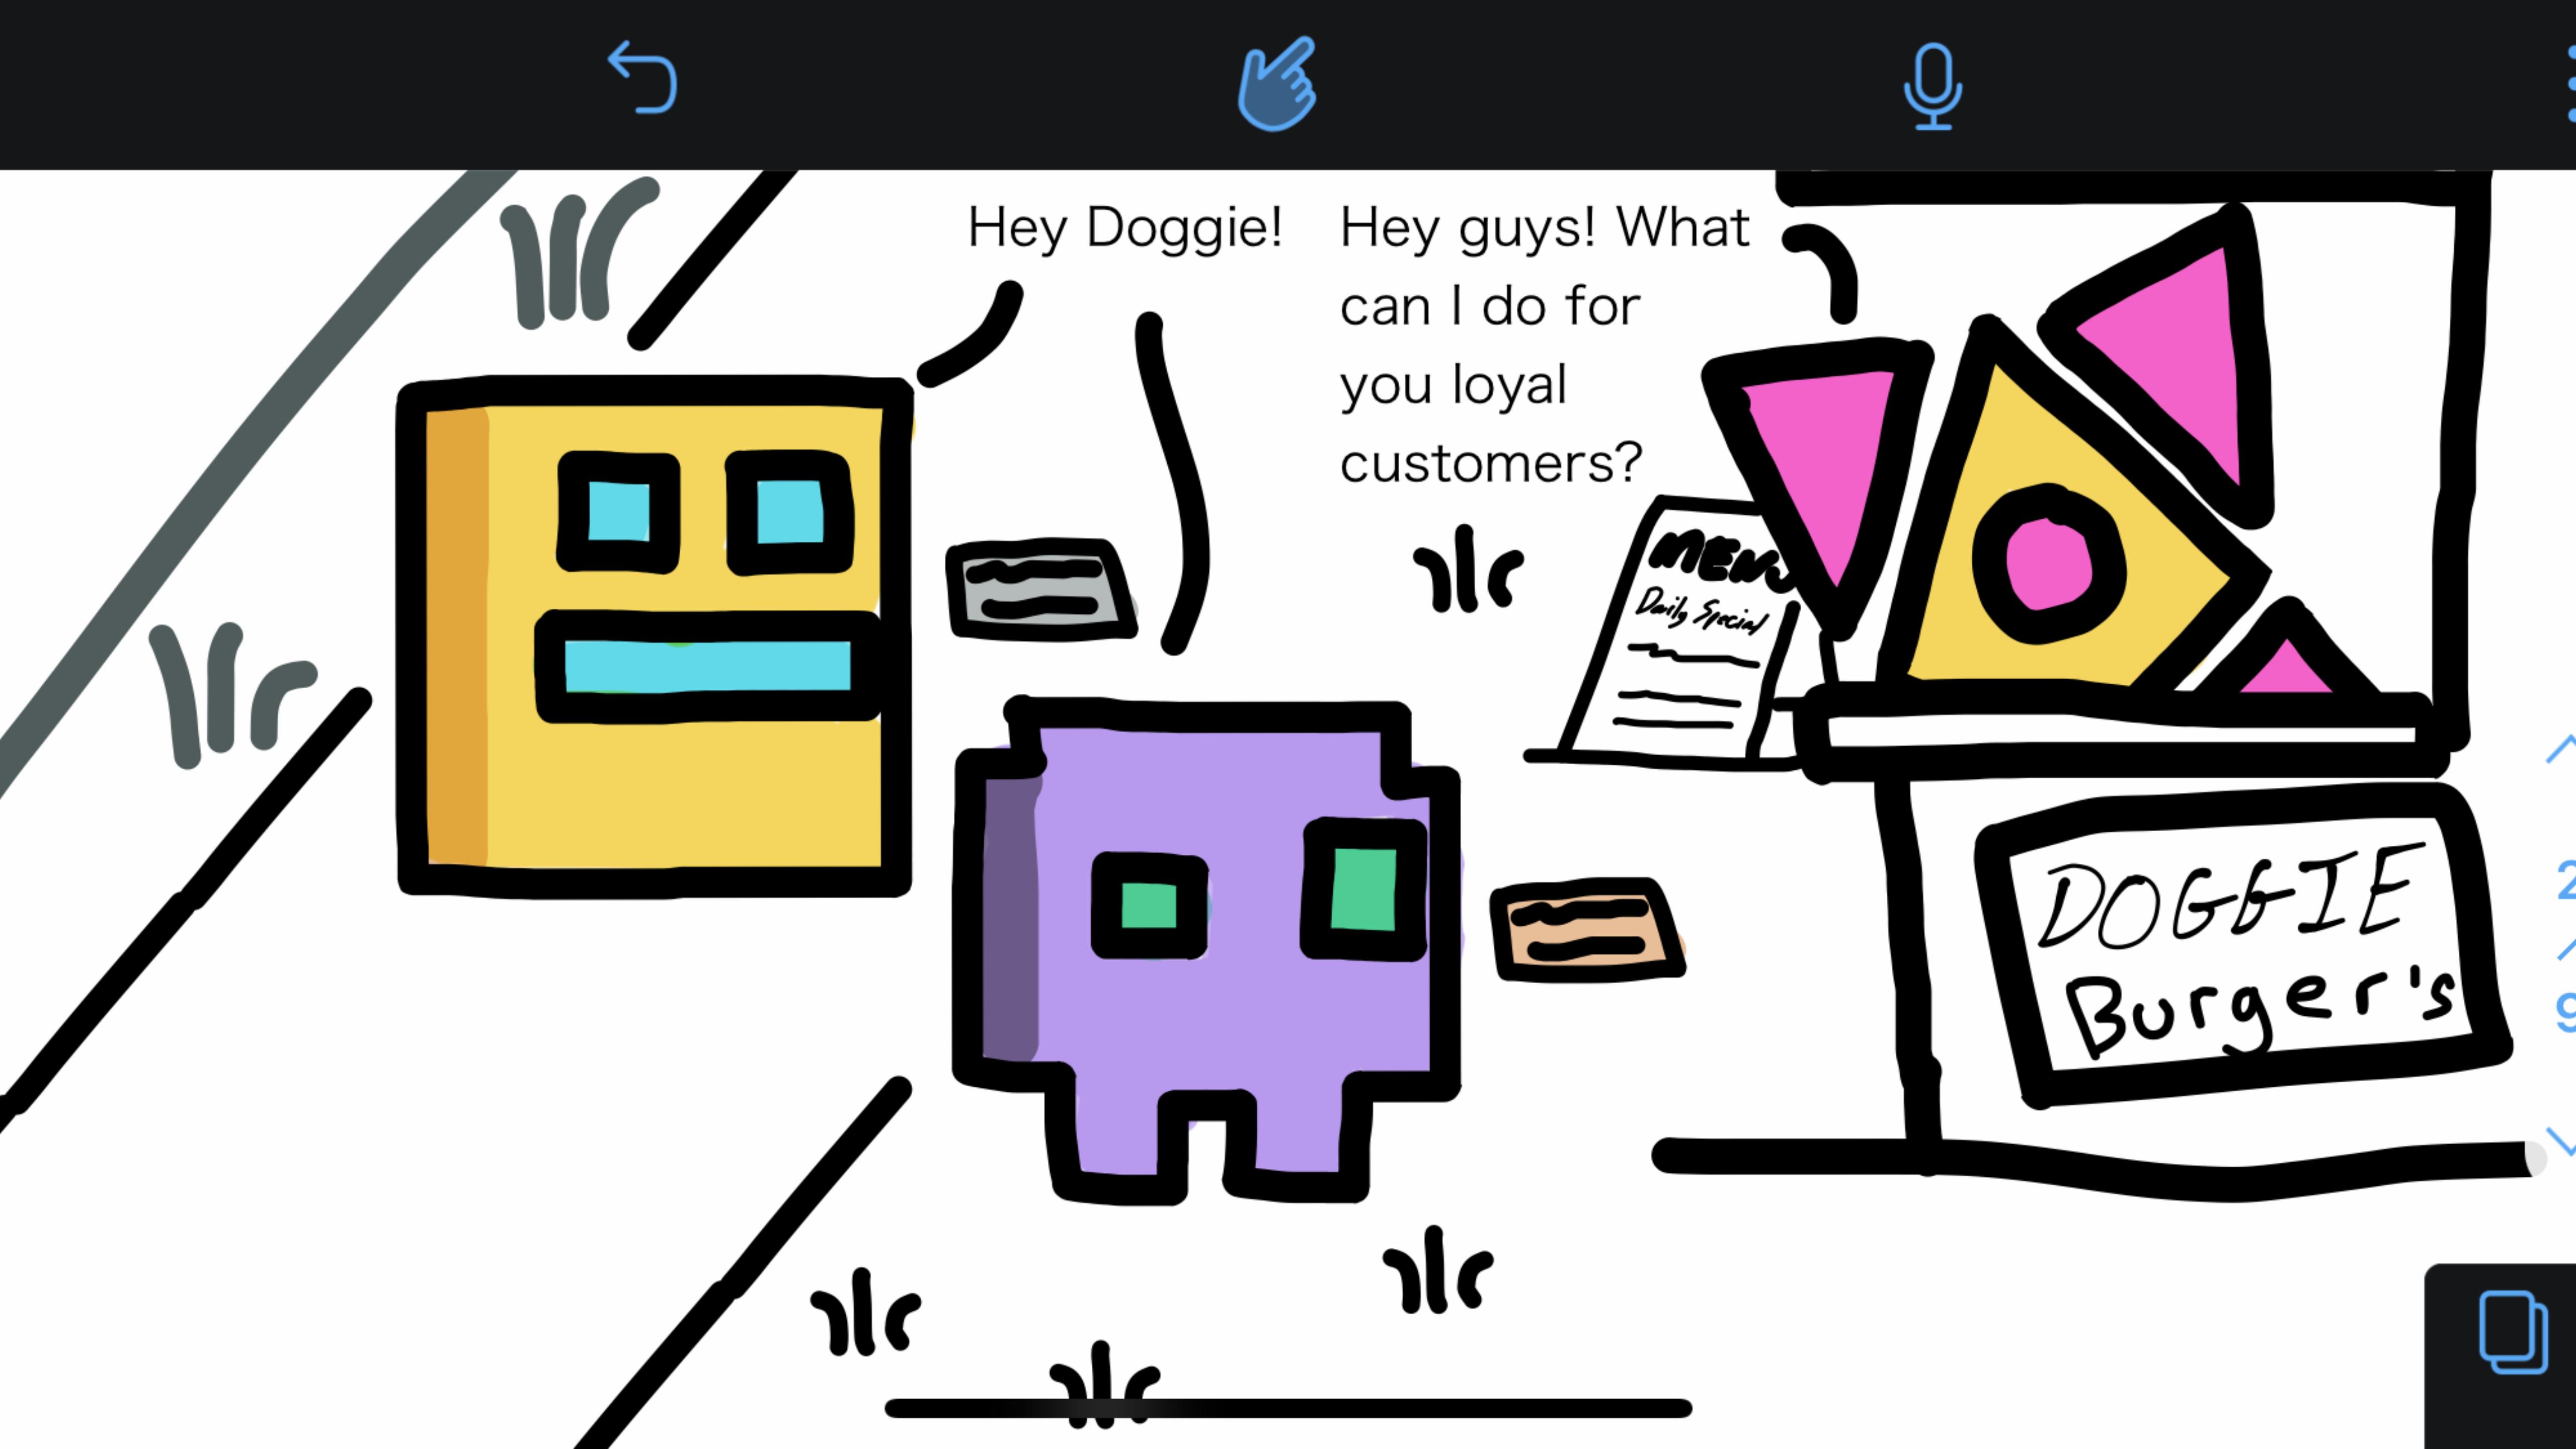

True. Sometimes I wonder how we got like this...

But hey, it pays the bills. And allows us to do fun
stuff like this!

I'd like a daily
special plain, with a
medium fry.

I'd like a RubRub Burger with
bacon and cheese.

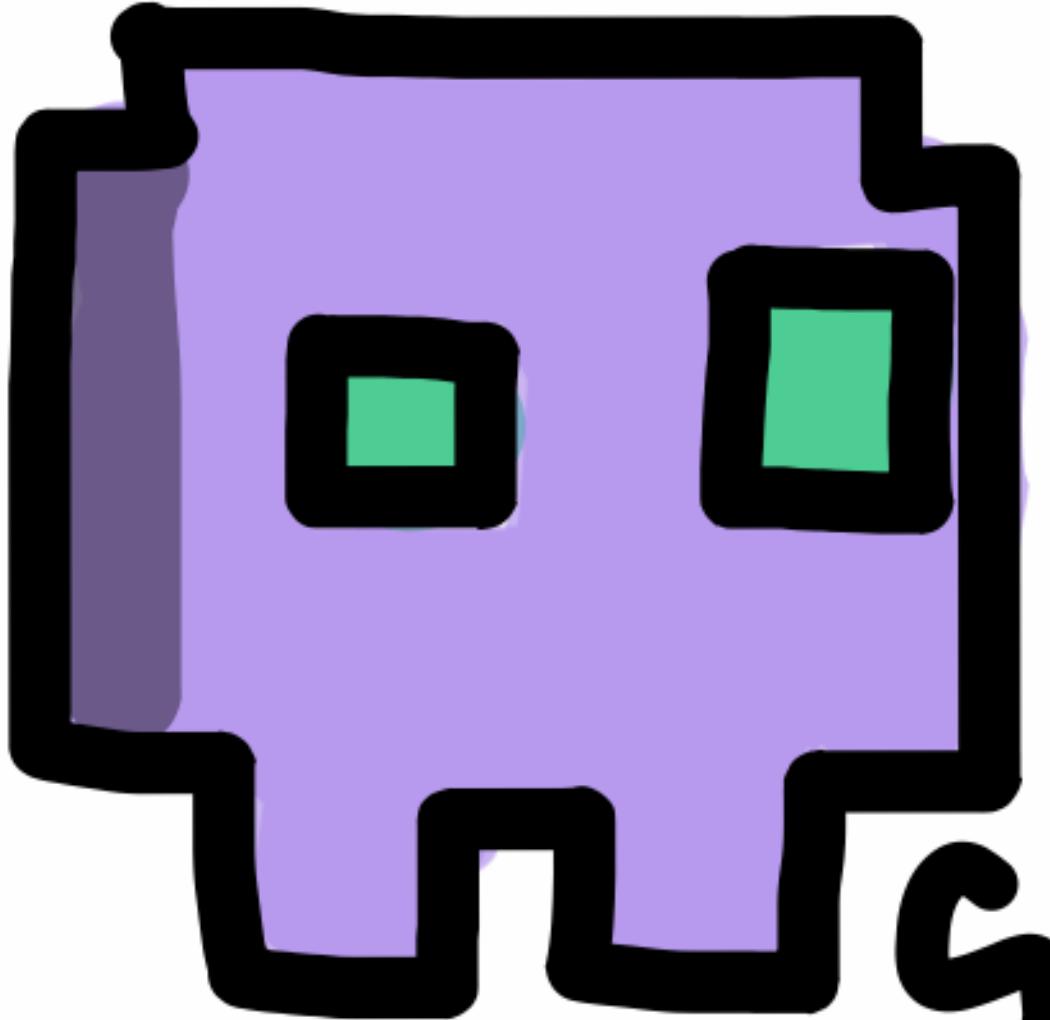

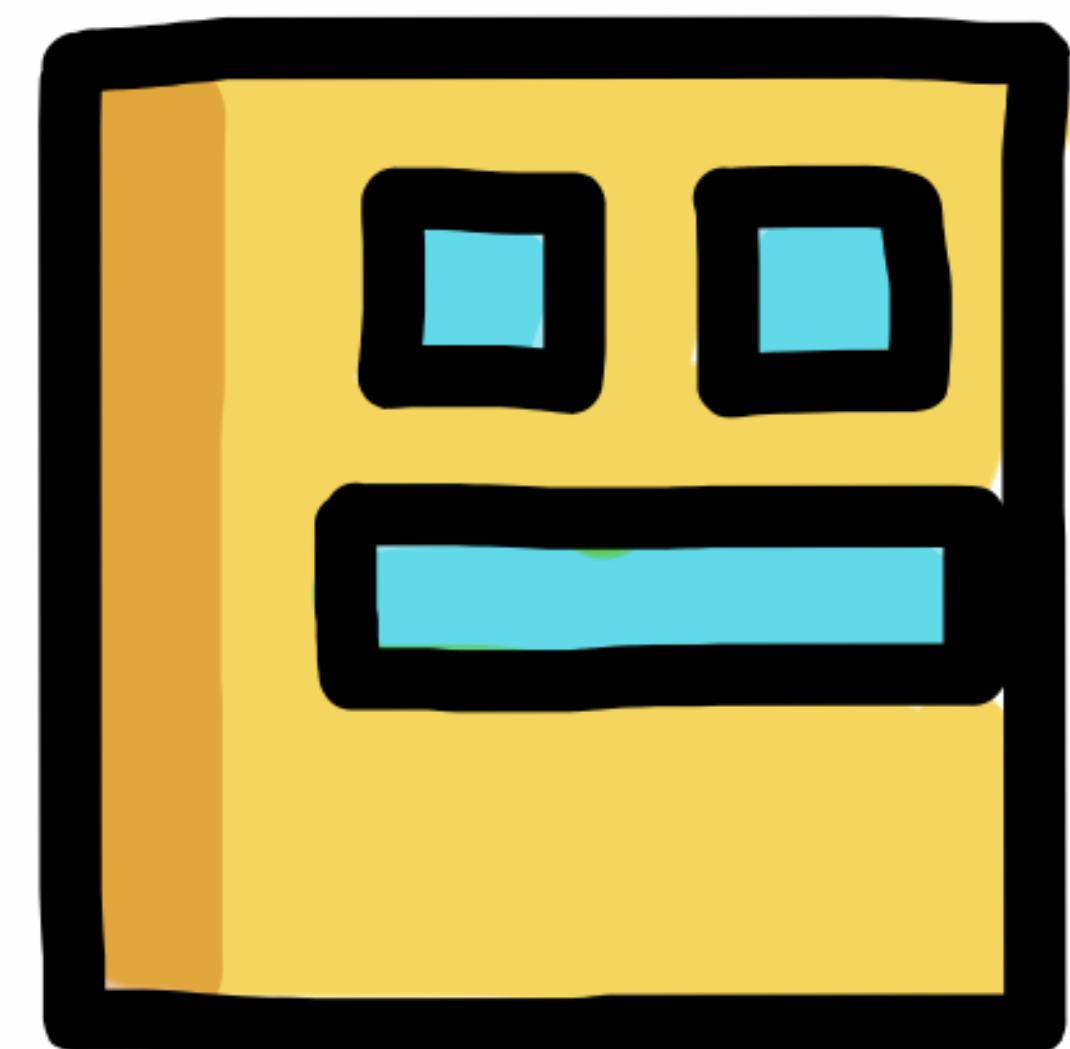

Sure thing! That'll
be 92 mana!
